Mr. Kerry Keith
Senior Director of Airport Development and Facilities
City of Naples Airport Authority
160 Aviation Drive North
Naples, FL 34104

RE: Naples Municipal Airport – Falcon Lane Improvements
RECOMMENDATION OF AWARD

Dear Kerry,

Hanson Professional Services Inc. and EG Solutions, Inc., have completed the tabulation and analysis of bids received October 27, 2016 for the referenced project. The Bid Tabulation and Bidder's Checklist accompany this letter. Briefly, the low bidder for the project is O-A-K Florida, Inc. dba Owen-Ames-Kimball Company, with a total base bid amount of \$318,929.95. The second low bidder was Quality Enterprises USA, Inc., with a total base bid amount of \$331,988.25,. Both bids were regular and responsive. We recommend award to O-A-K Florida, Inc. dba Owen-Ames-Kimball Company, contingent on the following:

- Receipt of the Environmental Resource Permit from the South Florida Water Management District
- Receipt of the Water Main and Force Main Utility Permits from Florida Department of Environmental Protection (FDEP) and project approval by City of Naples Utilities
- Positive FAA Airspace Determination for construction activities

Per Section 30-04 of the Contract Documents and Specifications, we recommend that the bid bonds for both the low and the second low bidder be held until the low bidder is awarded and executes a contract for the work with the Airport Authority and supplies all necessary bonds and insurance. The contract award and execution should not occur until permits are approved and FAA determination for construction activities is issued.

Hanson Professional Services Inc. and EG Solutions, Inc. are pleased to be of continuing professional service on this project. Please contact us if there are any questions.

Sincerely,

HANSON PROFESSIONAL SERVICES INC.

Michael Harris
Designer/Project Coordinator
