7. Licenses. Professional represents and warrants to the Authority that it has the resources and expertise necessary to complete the Services in accordance with the terms and conditions of this Agreement. Professional agrees to obtain and maintain throughout the entire term of this Agreement all licenses, registrations and permits as are required to transact business in the United States, State of Florida, Collier County and the City of Naples, including, but not limited to, all licenses and permits required by the respective federal and state boards and other governmental agencies responsible for regulating and licensing the Services to be provided by Professional. 8. Insurance. Professional shall maintain all of the insurance coverage set forth in this Paragraph 8 uninterrupted at all times while Professional is providing Services under this Agreement. (e) General Requirements. Renewal certificates evidencing all of the insurance required under this Paragraph 8 shall be sent by Professional to the Authority thirty (30) days prior to the expiration date of each applicable insurance policy. Each insurance policy required under this Paragraph 8 shall provide that the Authority shall receive at least thirty (30) days prior written notice in the event of any cancellation or modification of any insurance coverage. No insurance coverage required hereunder shall have a deductible amount in excess of \$50,000 without the prior written approval of the Authority's Executive Director. All insurance coverage of Professional shall be in addition to, and shall in no way be construed or interpreted to be a limitation of, Professional's indemnification and other obligations to the Authority under Paragraph 9 of this Agreement. It is expressly agreed that Professional's policies of insurance required under this Paragraph 8 shall be primary over any insurance which the Authority may maintain or carry, and that Professional shall obtain from its insurers an endorsement waiving any other insurance clauses which may be in conflict with this provision, and evidence of such waiver shall be indicated on all insurance policies or certificates of insurance furnished to the Authority. Professional shall be responsible and liable for insuring that all of Professional's employees, personnel, subcontractors, agents, licensees or invitees who perform any of the Services carry and comply with the same insurance coverage and requirements required of Professional under this Paragraph 8. Upon the request of the Authority, Professional shall deliver to the Authority copies of all insurance policies required hereunder.

invitees. Nothing contained herein will be construed as a waiver of any immunity or limitation of liability the Authority may have under the doctrine of sovereign immunity under Florida Statute section 768.28 or otherwise. The Authority reserves the right, at its option, to participate in the defense of any suit, without relieving Professional of any of its obligations hereunder. The obligations of this Paragraph 9 will survive termination of this Agreement and will not be limited by the amount of any insurance required to be obtained or maintained under this Agreement. If the provisions of this Paragraph 9 are found to conflict in any way with Florida or other governing law, then this Paragraph 9 will be considered modified by such laws to the extent necessary to remedy the conflict.

This Paragraph 9 shall also pertain to any claims brought against the Authority by any of Professional's employees, personnel, subcontractors, agents, licensees and invitees and any other party claiming by or through Professional. Professional's obligations under this Paragraph 9 shall not be limited in any way by Professional's limit or lack of sufficient insurance protection.

The waiver by the Authority of a breach of any provision of this Agreement shall not be deemed a continuing waiver, or a waiver of any subsequent breach of the same or any other provision hereof.

12. Severability. The invalidity of any one or more of the provisions of this Agreement shall not affect the enforceability of any or all of the remaining provisions hereof, all of which are included conditionally upon being valid in law, and, in the event that any one or more of the provisions of this Agreement shall be declared invalid, this Agreement shall be construed as if such invalid provisions had not been included.

13. No Assignment. Professional shall not voluntarily, involuntarily or by operation of law assign, transfer or otherwise encumber this Agreement, or any rights or privileges of Professional hereunder, in whole or in part, without first obtaining in each and every instance the prior written consent of the Authority, which consent may be granted or withheld in the Authority's sole discretion for any reason whatsoever. Any assignment, transfer or encumbrance contrary to the foregoing shall be a material default and, therefore, a Termination Event under this Agreement.

14. Independent Professional. Neither Professional nor Professional's employees, personnel, subcontractors, agents, licensees and invitees shall be deemed to be a servant, employee, partner or joint

venturer of the Authority. Professional shall perform the Services and its obligations under this Agreement as an independent contractor. (ii) Prompt Payment (§26.29): The Professional agrees to pay each subcontractor under this Agreement for satisfactory performance of its contract no later than thirty (30) days from the receipt of each payment the Professional receives from the Authority. The Professional agrees further to return retainage payments to each subcontractor within thirty (30) days after the subcontractor's work is satisfactorily completed. Any delay or postponement of payment from the above referenced time frame may occur only for good cause following written approval of the Authority. This clause applies to both DBE and non-DBE subcontractors.

(h) Energy Conservation Requirements. Professional and its subcontractor agree to comply with mandatory standards and policies relating to energy efficiency as contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6201 *et seq*).

(i) Federal Fair Labor Standards Act. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part time workers. Professional has full responsibility to monitor compliance to the referenced statute or regulation. Professional must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

Professional retains full responsibility to monitor its compliance and their subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (20 CFR Part 1910). Professional must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

(k) Trade Restriction Certification. By submission of an offer (and execution of this Agreement), the Professional certifies that with respect to this solicitation and any resultant contract (including this Agreement), the Professional:

(i) is not owned or controlled by one or more citizens of a foreign country included in the list of countries that discriminate against U.S. firms as published by the Office of the United States Trade Representative (U.S.T.R.);

The knowledge and information of the Professional is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

The Professional agrees that it will incorporate this provision for certification without modification in all lower tier subcontracts. The Professional may rely on the certification of a prospective subcontractor that it is not a firm from a foreign country included on the list of countries that discriminate against U.S. firms as published by U.S.T.R., unless the Professional has knowledge that the certification is erroneous.

This certification is a material representation of fact upon which reliance was placed when making an award. If it is later determined that the Professional or subcontractor knowingly rendered an erroneous certification, the Federal Aviation Administration may direct through the Authority cancellation of the contract or subcontract (including this Agreement) for default at no cost to the Authority or the FAA.

(iii) The Professional will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Professional 's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(iv) The Professional will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(v) The Professional will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(vi) In the event of the Professional 's noncompliance with the nondiscrimination clauses of this Agreement or with any of the said rules, regulations, or orders, this Agreement may be canceled, terminated, or suspended in whole or in part and the Professional may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(vii) The Professional will include the portion of the sentence immediately preceding paragraph 24(n)(i) and the provisions of paragraphs 24(n)(i) through (vii) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be

binding upon each subcontractor or vendor. The Professional will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: *Provided, however*, That in the event Professional becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the Professional may request the United States to enter into such litigation to protect the interests of the United States.

(o) Prohibition of Segregated Facilities.

(i) The Professional agrees that it does not and will not maintain or provide for its employees any segregated facilities at any of its establishments, and that it does not and will not permit its employees to perform their services at any location under its control where segregated facilities are maintained. The Professional agrees that a breach of this clause is a violation of the Equal Opportunity clause in this contract.

(ii) “Segregated facilities,” as used in this clause, means any waiting rooms, work areas, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees, that are segregated by explicit directive or are in fact segregated on the basis of race, color, religion, sex, or national origin because of written or oral policies or employee custom. The term does not include separate or single-user rest rooms or necessary dressing or sleeping areas provided to assure privacy between the sexes.

(iii) The Professional shall include this clause in every subcontract and purchase order that is subject to the Equal Opportunity clause of this contract.

(p) Certification of Professional and Subcontractors Regarding Debarment. By submitting a bid/proposal and providing Services under this Agreement, the Professional certifies that neither it nor its principals are presently debarred or suspended by any Federal department or agency from participation in this transaction or providing the Services hereunder. The Professional, by administering each lower tier subcontract that exceeds \$25,000 as a “covered transaction”, must verify each lower tier participant of a “covered transaction” under the project (including the Services) is not presently debarred or otherwise disqualified from participation in this federally assisted project. The Professional will accomplish this by:

(i) Checking the System for Award Management at website:
<http://www.sam.gov>;

(ii) Collecting a certification statement similar to the Certificate Regarding Debarment and Suspension (Bidder or Offeror), above; and

(iii) Inserting a clause or condition in the covered transaction with the lower tier contract.

If the FAA later determines that a lower tier participant failed to disclose to a higher tier participant that it was excluded or disqualified at the time it entered the covered transaction, the FAA may pursue any available remedies, including suspension and debarment of the non-compliant participant.

(q) Certification Regarding Lobbying. The Professional certifies by signing and submitting this Agreement, to the best of its, his or her knowledge and belief, that:

(i) No Federal appropriated funds have been paid or will be paid, by or on behalf of the Professional, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any

Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(ii) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

(iii) The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

(r) Breach of Contract Terms. Any violation or breach of terms of this Agreement on the part of Professional or its subcontractors may result in the suspension or termination of this Agreement or such other action that may be necessary to enforce the rights of the parties of this Agreement. If the Authority elects to exercise its rights under this Paragraph 24(r), then the Authority will provide Professional written notice that describes the nature of the breach and corrective actions the Professional must undertake in order to avoid termination of this Agreement. The Authority reserves the right to withhold any payments to Professional until such time Professional corrects the breach or the Authority elects to terminate this Agreement. The Authority's notice under this Paragraph 24 (r) will identify a specific date by which the Professional must correct the breach. In addition to all other rights and remedies of the Authority under this Agreement, the Authority may proceed with termination of this Agreement if Professional fails to correct the breach by deadline indicated in the Authority's notice pursuant to this Paragraph 24(r). The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to, and not a limitation of, any duties, obligations, rights and remedies otherwise imposed or available by law.

(s) Clean Air and Water Pollution Control. Professional agrees to comply with all applicable standards, orders, and regulations issued pursuant to the Clean Air Act (42 U.S.C. § 740-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. § 1251-1387). Professional agrees to report any violation to the Authority immediately upon discovery. The Authority assumes responsibility for notifying the Environmental Protection Agency (EPA) and the Federal Aviation Administration. Professional must include this requirement in all subcontracts that exceeds \$150,000.

(iii) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the term of this Agreement and following completion of this Agreement if Professional does not transfer the records to the Authority; and

(iv) upon completion of this Agreement, transfer, at no cost, to the Authority all public records in possession of Professional or keep and maintain public records required by the Authority to perform the services under this Agreement. If Professional transfers all public records to the Authority upon completion of this Agreement, Professional shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Professional keeps and maintains public records upon completion of this Agreement, Professional shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the Authority, upon request from the Authority's custodian

of public records, in a format that is compatible with the information technology systems of the Authority.

26. Entire Agreement. This Agreement represents the entire Agreement between Professional and the Authority and supersedes all prior agreements, oral or written, and all other communications relating to the subject matter hereof. Each Party has had the opportunity to review with counsel the terms of this Agreement and to negotiate the same. Therefore, any ambiguity in this Agreement shall not be construed against either Party by virtue of having drafted this Agreement.
