RE: Naples Municipal Airport Master Plan Update

On February 15, 2017, the City of Naples Airport Authority received three (3) Letters of Interest and Qualification packages in response to our Master Plan Update RFQ. Every submittal was carefully evaluated by select members of the NAA Executive Staff.

The following firms have been shortlisted for further consideration and are listed in alphabetical order, not order of ranking:

1. Environmental Science Associates, Tampa, FL
2. Ricondo & Associates, Miami, FL

The Naples Airport Authority would like to thank each firm that submitted their qualifications in response to our RFQ. We hope that you will continue to look for additional opportunities for your firm in the future.

Sincerely,

Kerry Keith.  
Senior Director of Airport Development and Facilities
