SAFETY & SECURITY TIPS

It's the height of the season and everyone is busy. For your safety and security, and for that of others, please keep the following in mind:

RAMP AREAS

- Please wear your airport issued ID badge above the waist
- Speed Limit is 5mph within 50' of an aircraft, and 15mph otherwise
- Vehicles must use 4-way flashers and never left unattended

GATES

- Use your ID to enter the gate and let it close behind you—no "Piggy-Backing"
- All gates must be closed at all times
- Do not prop open any gate, including the Pilots Lounge
- Deliveries to your leased space must be escorted, in and out.

For questions or concerns, or to report an incident or violation, contact Jack Tuers at 239-253-4945. If you are unable to reach Jack, please call the Airport Duty Officer at 239-564-1692.
