RE: Naples Airport Authority Professional Consulting Services Taxiway D Realignment and Drainage Improvements - North Quadrant

On March 15, 2017 the City of Naples Airport Authority received 3 Letters of Interest and Statements of Qualification in response to the Professional Consulting Services for TW D Realignment and Drainage Improvements – North Quadrant Project RFQ. Every submittal was carefully evaluated by select members of the NAA Staff and it has been determined that all three submittals meet the required criteria contained in the RFQ. Therefore, all three firms have been shortlisted for further consideration:

1. AVCON, Inc.
2. EG Solutions Inc.
3. Hole Montes, Inc.

The Naples Airport Authority would like to thank each firm that submitted their qualifications in response to our RFQ. We hope that you will continue to look for additional opportunities for your firm in the future.

Sincerely,

Kerry Keith.

Senior Director of Airport Development and Facilities
