PLEASE INDICATE THE TYPE AND COST THAT MEETS YOUR NEEDS.

The NAA maintains the right to change or remove an applicant's selection, if the aircraft storage space selection is not reasonable for the type of aircraft to be stored. At least 18 to 24 inches of clearance is required on all sides of aircraft stored in NAA hangars and shelters. All NAA aircraft storage spaces are leased "as is".

F. COMMON HANGARS (COMMON STORAGE) Monthly \$0.85 per sq ft. _____

Hangar request fee is based on square footage of aircraft (length x wing span).

G. STORAGE UNITS (SOUTH & NORTH RAMP) \$163.44 to \$347.13 _____

Hangar request fee \$163.44. Upon availability monthly rate may be higher depending on services and amenities.
