A/C TAIL #  AIRCRAFT TYPE  AIRCRAFT SQUARE FOOTAGE (for Common Hangars)

**PLEASE INDICATE THE TYPE HANGAR AND COST THAT MEETS YOUR NEEDS.**

Prices listed do not include sales tax or towing. Towing can be added for an additional fee. Upon availability, monthly rate may be higher depending on services, amenities or square footage of hangar.

The NAA maintains the right to change or remove an applicant's selection, if the aircraft storage space selection is not reasonable for the type of aircraft to be stored.  
At least 18 to 24 inches of clearance is required on all sides of aircraft stored in NAA hangars and shelters. All NAA aircraft storage spaces are leased "as is."

<b>B. SMALL T-HANGARS</b> (153 total units) N & S    40' Door Opening / 12' Tail Height / 32' Depth - Hangar Square Footage ranges from 912 SF to 1580 SF	Prices range from <div style="border: 1px solid black; padding: 2px; display: inline-block;">\$283.63 to \$601.98</div>	Hangar Request Fee: <div style="border: 1px solid black; padding: 2px; display: inline-block;">\$283.63 (✓) _____</div>

<b>\$208.20 to \$466.80</b>	<b>\$208.20 (✓) _____</b>

<b>Pertinent Information:</b>	The Storage Space Agreement provides for the establishment of the "Designated Aircraft." The Designated Aircraft will be identified as owned or leased (by exclusive written lease). NAA staff will verify the Designated Aircraft information through available means such as FAA Aircraft Registration data and corporate filings with the state of Florida, or the Tenant may be asked to provide the NAA with documented ownership or exclusive lease information. The Storage Space Agreement will be executed with the verified aircraft owner or lessor, such as an individual, corporation, partnership, etc. If the NAA does not accept the ownership verification, the potential Tenant may, at the NAA's discretion, re-submit the aircraft ownership verification according to the NAA's stipulations in this regard. Should the NAA deny the aircraft ownership verification, potential Tenant shall forfeit his/her Hangar Request Fee and be removed from the Hangar Wait List (HWL). When warranted by extenuating circumstances, and upon written appeal to the NAA, additional time may, at the sole discretion of the Director of Operations, be given to complete the paperwork required.
<b>INITIALS</b> → _____	
<b>INITIALS</b> → _____	The non-ownership of an aircraft does not preclude an individual from maintaining a position on the waiting list until an offer is made. In the event an applicant is offered Storage Space and does not own an aircraft at that time, he/she may rent the Storage Space, but the Storage Space Agreement will be terminated if the applicant has not acquired an aircraft within ninety (90) days after the effective date of the Storage Space Agreement. A non-commercial Tenant may accept the Storage Space and sub-lease it during the ninety (90) day period. If the Tenant can prove aircraft ownership by the 91st day, but the aircraft is not on the field at that time, the Tenant may, at the sole discretion of the Director of Operations, be granted an additional ninety (90) day period to sub-lease the hangar.
<b>INITIALS</b> → _____	An applicant will be required to pay a Hangar Request Fee (non-refundable) fee, <u>for each type of Storage Space sought and for each time his/her name appears on a particular list.</u> Applicants will be placed on a waiting list only when the required fee is paid. Interest will not be paid by the NAA on these fees. When Storage Space is made available to an applicant, the Hangar Request Fee for the available Storage Space being offered will be applied toward the required first/last month's rent upon execution of the Agreement. A refund of the Hangar Request Fee will be made only when an applicant forwards a written request asking to be removed from the waiting list(s) prior to being offered Storage Space. If an applicant (1) rejects an offer of Storage Space, (2) cannot be located by mail, email or telephone within fifteen (15) days; or cannot qualify for the Storage Space, his/her name will be removed from the waiting list and the Hangar Request Fee for that position will be forfeited. It shall be the responsibility of each applicant to advise the NAA regarding changes to his/her mailing address, email and telephone number.
<b>INITIALS</b> → _____	Any changes in information on the Storage Space Agreement, such as a new address, telephone number, aircraft make/model and "N" number, change of ownership, etc., must be reported in writing to the NAA within ten (10) days of the change.
