Re: **DISCUSSION ITEM**

- 1. Interviews and Rankings of Qualified Respondents for Employee Benefits Brokers Request For Qualifications**

ACTION REQUESTED: Committee interview and ranking of the responsive and qualified firms.

BACKGROUND: The last selection process conducted for an employee insurance benefits broker was in January 2014. Baldwin Krystyn Sherman Partners (BKS) was awarded a contract for three years with two one-year renewals.

A Request for Qualifications (RFQ) for Employee Benefits Broker was released December 7, 2018. The RFQ was advertised in the Naples Daily News, posted on the Authority's website, and e-mailed to insurance brokers who had expressed interest in working with the Naples Airport Authority. The closing date for responses was December 21, 2018. Four firms responded. One proposal arrived late and was disqualified. Of the three remaining proposals, two meet the basic qualifications required by the RFQ. The other submittal was considered unresponsive and disqualified.

The first ten (10) minutes of the meeting will be to open the meeting and allow time for Commissioner comments and questions for staff regarding the RFQ and selection process, if any. We have scheduled interviews at forty-five (45) minutes increments to allow for each firm to provide a brief overview of their firm and experience, allow sufficient time for the actual interviews, and time to transition from one firm to the next.

The Committee's ranking will be provided to the full Board of Commissioners at the January Regular Meeting. Following the Consultant Selection Committee Meeting, staff will work with the top ranked firm to complete a Professional Services Contract to be brought to the full Board at the same meeting.

COMMUNICATIONS PLAN: Not applicable.

FINANCIAL IMPACT: Firm to be compensated through commissions from the insurance carriers.

EMPLOYEE BENEFITS BROKER INTERVIEW QUESTIONS

1. Briefly explain your firm's procedures for soliciting/negotiating competitive bids from insurance carriers. How do you benchmark rates and benefit plans to ensure your clients are receiving "fair" pricing from carriers?
 - Looking for a response that demonstrates past success in not just negotiating a client's rates down through increasing employee costs (copays/deductibles); but ensuring the carrier is truly evaluating claims costs and administrative costs of the client to give a good rate.

2. How do you see your firm participating in NAA's efforts to contain increasing costs and/or enhancing benefits? Do you see your firm in a leadership role?
 - Looking for a partner who stays on top of the latest trends in the world of employer benefits and understands the impact that benefits have, not only on budgets, but also to productivity, absenteeism, and attracting and retaining employees.

3. Please tell us about any additional services your firm offers that you believe NAA should take advantage of and whether or not those services are included or require an additional fee.
 - Offering a last chance to highlight any other benefits they haven't already mentioned.

4. NAA's employees mostly work "in the field." How does your firm partner with your clients to educate employees about benefits and programs when the employees have limited access to computers and time for meetings?

5. Our committee will be making a recommendation to the full Board on who should be selected. Why should we recommend your agency? What makes your company the best fit for NAA?
