The Naples Airport Authority (NAA) recently began a study to improve the compatibility of Naples Airport (APF) with the surrounding communities. This study, a “Part 150 Study,” will follow the process outlined in Title 14 of the Code of Federal Regulations (CFR) Part 150, *Airport Noise Compatibility Planning*. At key points during the project, newsletters will provide updates on study progress. NAA will also host additional public meetings to provide future opportunities for input throughout the Study. NAA encourages all interested parties to monitor the project website for the latest study information and announcements at [www.FlyNaples.com/part-150-noise-study/](http://www.FlyNaples.com/part-150-noise-study/).

Thank you for your interest and participation.

What are the most significant concerns that you would like the APF Part 150 Study to address about aircraft flight activity (select up to 3)?

- ☐ Arrivals
- ☐ Departures
- ☐ East Flow
- ☐ West Flow
- ☐ Nighttime operations (10 p.m. – 6 a.m.)
- ☐ Early morning operations
- ☐ Frequency of operations

Where do you live?

- ☐ Southeast Quadrant
- ☐ Southwest Quadrant
- ☐ Northeast Quadrant
- ☐ Northwest Quadrant
- ☐ Outside Collier County
- ☐ Other _______________________________
Please use the space below to provide your comments regarding the Part 150 Study at Naples Airport. Your comments will be reviewed and considered during the Study. Your participation in the process is appreciated. If you wish to receive future project updates, please provide your contact information on the other side of this form.
