**1. Strategic Plan FY 2022-2026**

Ms. Cooper provided a summary of the Authority's FY 2022-2026 Strategic Plan process which will be completed by September 30, 2021. She said that one of the important objectives for this year is looking back at the Strategic Plan over the past five years as well as looking forward to soliciting feedback and input from various constituent groups. She said that today's meeting is a Board Focus Group session. She introduced Ms. Mina Merkel, a professional facilitator, who will be leading the sessions, that will help develop the NAA's Strategic Plan for the next five years.

Ms. Merkel explained the focus group "story boarding" or "gallery of ideas" process that will be used during this Workshop session. She reiterated that the NAA is asking for input from various, different constituencies that will be aggregated and included into the Strategic Plan process. She noted that Ms. Bendle will be the scribe to collect their comments during this workshop. She stated that not all of the ideas will ultimately be implemented but that they will be aggregated with the other focus groups to see where there is overlap and common themes.

Ms. Merkel posed the following three activating questions and gave the Board some time to think and write down ideas for each question:

- Could you tell us what the NAA does extremely well from your vantage point?

- What could the NAA do even better if?
- Thinking outside of the box, what are some of the collaborative ideas that could solve some of the greater problems that have faced the Naples Airport Authority. What are we not thinking about?

A list of the ideas generated by the Board are attached.

Commissioner Rideoutte departed the meeting at 11:56 a.m.

Ms. Merkel concluded her presentation.

Ms. Cooper said that there are several additional focus groups planned throughout the summer in order to receive feedback from our constituents. Once all of the information is aggregated, the ideas will be prioritized to help inform the next five years for the Authority. She noted that at the June Regular Meeting, the semi-annual update on the Strategic Plan will be provided. At the August Regular Meeting, a draft Strategic Plan for FY2022 – 2026 will be presented for Board review and feedback, and at the September Regular Meeting, the final Strategic Plan for FY2022-2026 will be presented for approval.

Ms. Cooper welcomed Commissioners to contact her directly if they had any additional ideas following today's session.
